From the Director, MNJIO & RCC,, Hyderabad, Letter
No.A2/MNJIO&RCC/2011/279, Dated: 01.08.2011.

ORDER:

The Director, MNJIO & RCC, Hyderabad in the reference read above, has stated that the image intensifier tube in the Conventional Radiotherapy Simulator failed and the equipment is only partially functioning now. In view of the change in the technology, the Varian Medical Systems, Switzerland, who established the present Conventional Radiotherapy Simulator Machine, declared end of support announcement for Ximatron Simulators by 20th May 2013, and also offered a proposal to upgrade the existing ximatron simulator into the advantaged digital simulator (Acuity-ix) at a price of USD 380,000 inclusive of customs duty and 2 years warranty by replacing the C-Arm, x-ray generator, detector panel and control console along with the latest software support of MLC overlay, RT chart etc.

2. The Director, MNJIO & RCC, Hyderabad has therefore requested the Government to accord administrative sanction for upgradation of the Ximatron Simulator into Acuity-ix at a cost of USD 380,000 and also to permit to place orders on the firm M/s. Varian Medical Systems, Switzerland by opening an irrevocable letter of credit and other turnkey works if any, since they are having adequate funds to meet with the expenditure.

3. Government after careful examination of the matter, hereby accord permission to the Director of Medical Education, A.P., Hyderabad for upgradation of the Ximatron Simulator into Acuity-ix at a cost of USD 380,000 and to place orders on the firm M/s. Varian Medical Systems, Switzerland by opening an irrevocable letter of credit and other turnkey works if any, by meeting the funds of the hospital, subject to following the due procedure for purchase of instruments from foreign countries.

4. The Director of Medical Education, AP, Hyderabad shall take necessary action accordingly.

5. This order issues with the concurrence of Finance (Expr.M&H.I) Department vide their U.O. No.26248/262/A1/EM&H.I/2011, Dt.9.11.2011.
